L.scape@verizon.net
Mobile: 703-505-7021

Certifications: International Concrete Paver Institute (ICPI)-
Level One Paver Installer Certified

Education: Northern Virginia Community College
Landscape Designer/ Horticulturist/Turf and Grounds Specialist

Awards: Six-time Design Award Winner-
Washington National Flower & Garden Show

Bill is a native of Springfield, VA, and enjoys living and working in the Virginia area. He began his career in the landscape industry in 1983. He quickly gained an appreciation for Residential Landscape Design/Build and prompted him to further his education and to later work as a landscape designer. He then went on to successfully operate his own landscape design/build business for over 30 years. His extensive knowledge of plantscape and hardscape design and field-construction enable him to develop unique landscape solutions that complement the client's lifestyle, respect their needs and provide function and beauty in their outdoor environment. He stays abreast of the latest techniques and products through his participation in industry seminars and continuing education.

Bill's landscape design and construction management expertise includes:

- Patios, Walkways, Steps
- Terracing, Seating and Retaining Walls
- Walkways, Stairs, Driveways
- Ponds and Waterfalls
- Drainage and Grading
- Naturalized and Sustainable Landscapes
- Outdoor Kitchens, Living Rooms
- Fire Pits, Fireplaces
- Synthetic Turf for Lawn, Play, Golf and Sport
- Landscape Lighting
- Decks, Arbors, Gazebos
- Retaining Walls
- Specialty Gardens
